What are the academic achievement indicators and what do they measure?

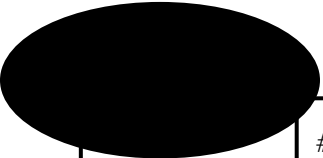

Step 2: Calculate the Weighted Average Achievement Index or Core Subject Performance Index using the formula below.

$$I = \frac{\text{ELA PI} \quad M \quad \text{PI} \quad \text{PI} \quad \text{PI}}{\quad}$$

Step 3: Assign Accountability Levels

Weighted Average Achievement Levels

Subject	# Students in Accountability Cohort	# Tested Students	# Level 1	# Level 2	# Level 3	# Level 4	PI Numerator	Weighted PI	Core PI
ELA									
Math									
Science									
Social Studies									

Weighted Average Achievement Index

118.9
