Notes to Financial Statements  
June 30, 2020 and 2019

**1. Organization and Tax Status**

## **Classical Charter Schools**

### **Notes to Financial Statements June 30, 2020 and 2019**

#### **1. Organization and Tax Status**

SBC II shares space with a New York City public school beginning in August 2013. SBC II occupies approximately 10,000 square feet on one floor of a public school building. SBC II also shares the gymnasium, auditorium, and cafeteria with the public school which approximate 6,726 square feet. SBC II is not responsible for rent, utilities, custodial services, maintenance, and school safety services other than security related to SBC II's programs that take place outside the district's school day.

The School was unable to determine a value for the contributed space and related services and did not record any value for use of donated facilities or services.

The New York City Department of Education provides free lunches directly to some of the School's students. Such costs are not included in these financial statements. The School covers the unreimbursed cost of lunches for children not entitled to the free lunches. The Office of Pupil Transportation provides free transportation to the majority of the students during the district's school days.

Except for taxes that may be due for unrelated business income, the School is exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code and from state and local income taxes under comparable laws.

#### **2. Summary of Significant Accounting Policies**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### *Recognition of Contributions*

Effective July 1, 2019, the School adopted Accounting Standards Update ("ASU") 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This guidance provides a framework for evaluating whether contributions and grants should be accounted for as exchange transactions or as nonexchange transactions. Analysis of various provisions of this standard resulted in no significant changes in the way the School recognizes contributions and grants, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis

#### **1. Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal award activity of Classical Charter Schools (the “School”) under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Classical Charter Schools (the "School"), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expense and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 9, 2020.

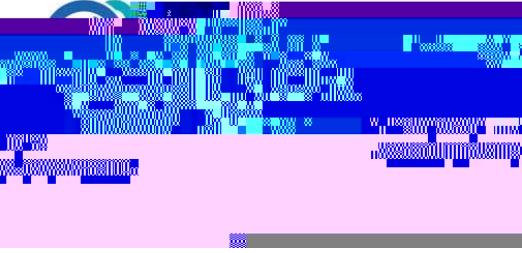

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters 3r15School8.1 x3qu er mes

## **Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance**

### **Independent Auditors' Report**

**Board of Trustees  
Classical Charter Schools**

#### **Report on Compliance for Each Major Federal Program**

We have audited Classical Charter Schools' (the "School") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2020. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management is responsible for compliance with federal statutes, regulations, the terms and conditions of its federal awards applicable to its federal programs.

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200,

**Board of Trustees  
Classical Charter Schools**  
Page 2

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Management of the School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**IMPORTANT NOTICE REGARDING CALLABLE SECURITIES**

To the extent J.P. Morgan Securities LLC (JPMS LLC) holds on behalf of any introduced customer account securities which, by their terms, may be called or redeemed prior to maturity ("callable securities") and a partial call or redemption involving such securities occurs, the following procedures will be followed: JPMS LLC will generally administer the partial call or redemption via an impartial lottery system by which it will allocate among its introduced customers the securities to be selected as called or redeemed. In the event the call or redemption is deemed to be on terms favorable to the applicable holder as determined by JPMS LLC, JPMS LLC shall not allocate the securities to any account in which it or its associated persons (or the associated persons of its introducing brokers, to the extent those accounts have been identified to JPMS LLC by the introducing broker, generally, "associated persons") have an interest until all other customers' positions in such securities have been satisfied. In the event the call or redemption is deemed to be on terms unfavorable to the applicable holder, as determined by JPMS LLC, the accounts of customers and associated persons will participate in the impartial lottery on equal terms. See [https://www.jpmorgan.com/country/US/EN/disclosures/callable\\_securities](https://www.jpmorgan.com/country/US/EN/disclosures/callable_securities). This information supersedes any prior or inconsistent terms relating to callable securities in your account.

**IMPORTANT ADDITIONAL INFORMATION APPLICABLE ONLY TO YOUR ASSET ACCOUNT(S) (LINKED TO JPMS)**

You must promptly advise your J.P. Morgan representative of material changes in your investment objectives or financial situation or if you wish to modify the management of your account. Unless you inform otherwise, your J.P.Morgan representative will consider the information currently in its files to be complete and accurate.

For the Period 6/1/20 to 6/30/20

**IMPORTANT INFORMATION ABOUT YOUR INVESTMENTS AND POTENTIAL CONFLICTS OF INTEREST APPLICABLE TO YOUR MANAGED INVESTMENT ACCOUNT( S)**

Conflicts of interest will arise whenever JPMorgan Chase Bank, N.A. or any of its affiliates (together, "J.P. Morgan") have an actual or perceived economic or other incentive in its management of our clients' portfolios to act in a way that benefits J.P. Morgan. Conflicts will result, for example (to the extent the following activities are permitted in your account): (1) when J.P. Morgan invests in an investment product, such as a mutual fund, structured product, separately managed account or hedge fund issued or managed by JPMorgan Chase Bank, N.A. or an affiliate, such as J.P. Morgan Investment Management Inc.; (2) when a J.P. Morgan entity obtains services, including trade execution and trade clearing, from an affiliate; (3) when J.P. Morgan receives payment as a result of purchasing an investment product for a client's account; or (4) when J.P. Morgan receives payment for providing services (including shareholder servicing, recordkeeping or custody) with respect to investment products purchased for a client's portfolio. Other conflicts will result because of relationships that J.P. Morgan has with other clients or when J.P. Morgan acts for its own account.

Investment strategies are selected from both J.P. Morgan and third-party asset managers and are subject to a review process by our manager research teams. From this pool of strategies, our portfolio construction teams select those strategies we believe fit our asset allocation goals and forward looking views in order to meet the portfolio's investment objective.

As a general matter, we prefer J.P. Morgan managed strategies. We expect the proportion of J.P. Morgan managed strategies will be high (in fact, up to 100 percent) in strategies such as, for example, cash and high-quality fixed income, subject to applicable law and any account-specific considerations.

While our internally managed strategies generally align well with our forward looking views, and we are familiar with the investment processes as well as the risk and compliance philosophy of the firm, it is important to note that J.P. Morgan receives more overall fees when internally managed strategies are included. We offer the option of choosing to exclude J.P. Morgan managed strategies (other than cash and liquidity products) in certain portfolios.

The Six Circles Funds are mutual funds managed by J.P. Morgan and sub-advised by third parties. Although considered internally managed strategies, J.P. Morgan does not retain a fee for fund management or other fund services.

For the Period 6/1/20 to 6/30/20

#### J.P. MORGAN FUNDS OR THIRD PARTY FUNDS

Shares of the funds referenced above are not bank deposits and are not guaranteed by any bank, government entity, or the FDIC. Return and share price will fluctuate and redemption value may be more or less than original cost. The estimated annual income and dividend yield figures for mutual funds represent the funds' most recent income dividend annualized. You could lose money by investing in a Money Market Fund. With respect to a Money Market Fund that qualifies as a "retail" or "government" money market fund under applicable money market fund regulations, although the Money Market Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. In the case of a Money Market Fund that does not qualify as a "retail" or "government" money market fund, because the share price of the Money Market Fund will fluctuate, when you sell your shares they may be worth more or less than what you originally paid for them. If a Money Market Fund does not qualify as a "government" money market fund the Money Market Fund may impose a fee upon sale of your shares or may temporarily suspend your ability to sell shares if the Money Market Fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a Money Market Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. A Money Market Funds sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.

Additional information about J.P. Morgan Funds fees is available in the J.P. Morgan Funds Disclosure Statement and in prospectuses that you may obtain from JPMorgan Distribution Services, Inc., for the J.P. Morgan Funds by calling 800.480.4111 (Mutual Funds), 844.457.6383 (ETFs), or by visiting [www.jpmorganfunds.com](http://www.jpmorganfunds.com), and for the Six Circles Funds, by calling 212.464.2070.
