

21st CCLC Guidance Document #2 – Notification of additional requirements

The purpose of this notification is to inform you of two requirements that will enable NYSI.5 .7 (m) 10-12-20-4 cooperation in the following ways:

- ³/₄ **The COVID -19 Temporary Program Modification Request Form is now required for all programs. It must be submitted by COB, Monday, April 6, 2020.** You are responding to this crisis in different ways depending on your organization. We need to know how each of your organizations are responding. Many programs have already sent in their Temporary Program Modifications. It is inspiring to learn how dedicated many of you are providing a continuation of services, albeit in creative ways. But even if you have sent all staff home and are not providing
