

NYS 21st CCLC Student Participant Reporting Fact Sheet (updated 11/18/19)

This document will serve to alert sub-grantees and evaluators of important changes in student participation reporting beginning July 1, 2019. This fact sheet was originally shared in April 2019 but has been updated to reflect information that was sent to all sub-grantees on 8/21/19 from EMC21STCLC@nysegov.

All programs will be subject to grant reductions if they do not meet their participation targets.

- x Annual participation below 95% of the target will result in a proportional reduction in the grant allocation for the year in question.
- x A student must attend at least 30 hours during the year to be counted as a participant. See further notes below regarding how hours are counted.

When reporting participation on the student attendance rosters, the following apply:

- x Student ID codes must be provided for all students that have such codes. Provided codes can be State, District, or NYC DOE SIS IDs. Local IDs are not
