June 15, 2018

District Superintendents of BOCES  
Superintendents of Public School Districts Outside NYC  
Principals of

2. Schools designated as Persistently Dangerous (PD) for the 2017-18 school year		Parts 5 & 6 of Incident Reduction Plans (IRP)
3. All other public schools (including charter schools), public school districts, and BOCES		

The SSEC data are collected through an online reporting application, the IRS Data Exchange or "IDEx" that is accessed through the NYSED Application Business Portal (<https://portal.nysed.gov/abp>) and will be available to all school districts, public schools, including charter schools, and BOCES

. After the close of the 2017-18 school year data collection window, SSEC data may not be changed.

Additional information about the IDEx application are outlined in the [step-by-step user guide](#) to reporting SSEC data. For further assistance,5(e)7.8( )104(1.04 -017.7( )T)0.002 24 527.52 55 011.04 .6( )0.304 03(in) .9(h

In August, the New York State Center for School Safety (NYSCFSS) will conduct regional trainings across New York State related to school safety and climate, and data reporting. The NYSCFSS is a professional development and technical assistance center contracted by the Department to provide direct support to schools and districts in creating and maintaining safe, supportive and healthy learning environments.
